

Dear All,
Greetings from Dalmia Bharat Foundation.
We trust this note finds you well. It's with great pleasure that Dalmia Bharat Foundation (DBF) Team reflects on the incredible journey undertaken in the third quarter, and we are thrilled to share our collective achievements through the pages of our Quarterly CSR Magazine
Team DBF, Bokaro

LIVELIHOOD INITIATIVES

BEAUTY AND WELLNESS TRAINING

- Three beauty and wellness training sessions were conducted at Gorabali Panchayat Bhawan, Govind Madhyamic Vidyalaya and Tupkadih.
- 90 girls participated in the training.
- The girls were equipped to work as assistants to beauty therapists and experienced beauticians.
- The girls gained the potential to earn around Rs. 5000 per month.

GOAT REARING

- Supported 15 households in Gorabali village to purchase one goat each.
- DBF provided Rs. 1500 per goat to the supported households.
- Beneficiaries spent around Rs. 2500 from their own pockets.
- Income will start from end of calendar year 2024 onwards and likely to reach Rs.75k annually by 2027.

LIVELIHOOD INITIATIVES

CARPET MAKING TRAINING

- 20 scheduled caste women underwent training for carpet making.
- The training, held in Gorabali village, spanned 25 days, during which women learned to make carpets.
- The training was conducted in collaboration with the District Industry Center, which fully funded the program.
- The DBF team will continue to guide the beneficiaries for consistent production and marketing, aiming to help them earn an additional income of Rs. 80,000 annually.

Promoting vegetable cultivation as a livelihood activity

- 56 beneficiaries from Gorabali village received vegetable seeds and saplings.
- The distribution was specifically for beneficiaries in Gorabali village.
- Each of them received 5 kg of vermicompost manure for initial application in backyard farming.
- Well-maintained vegetable gardens are expected to yield around Rs. 15,000 in annual income.

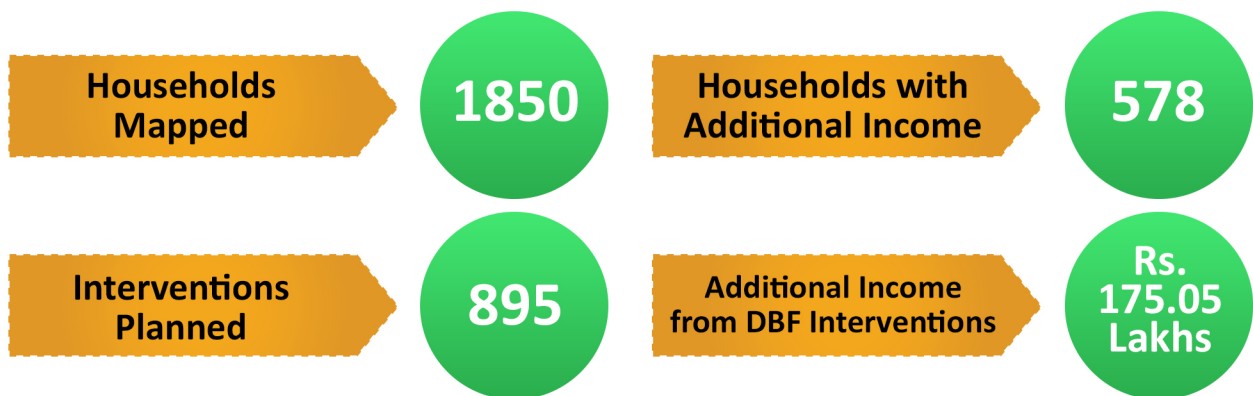

GRAM PARIVARTAN PROJECT

(An action towards bringing change)

Introduction

The Gram Parivartan Program was launched with the aim of providing livelihoods that are economically sustainable, ecologically responsible, and socially equitable. The objective is to foster sustainable economic progress within selected communities, where household chosen for participation is expected to achieve an additional annual income of Rs. 1,00,000. This can be achieved through individual or group interventions and can function independently or converged with government programs.

A SUCCESS STORY FROM LIVELIHOOD INITIATIVE

Devnath Tudu, from Bhutkuru village in Khutri Panchayat, solely relied on a small shop as the family's primary source of income. The shop generated approximately Rs. 2000, and Devnath supplemented this by working as a laborer, though the earnings were minimal and inconsistent. Despite the potential for increased sales in his shop with improvements, Devnath lacked funds, a substantial banking history for a loan, and found the loan documentation process challenging and the interest rates uncomfortable.

Recognizing his need for support, the Gram Parivartan team intervened. Leveraging his wife's involvement in SHG activities, the DBF team collaborated with the Cluster Coordinator of JSLPS to facilitate a Livelihood loan for the household. Devnath secured a loan of ₹30,000 at a favorable interest rate through his wife, allowing him to expand his shop. This expansion led to increased earnings, enabling him to repay the loan with interest. The family now earns around Rs. 6000 per month.

DALMIA INSTITUTE OF KNOWLEDGE & SKILL HARNESSING

Nurturing Futures: Empowering Youth Through Skill Development

Skill development of rural youth plays a vital role in unlocking their potential & creating avenues for a brighter future. By providing tailored training programs & workshops, we equip them with the tools to excel in various trades and professions. This not only enhances their employability but also empowers them to contribute effectively to their communities' growth and development.

Updates (for FY23-24)
