

PARIVARTAN

Jawaharpur

Quarterly Issue (April to June 2024)

Village: 21 | Population: 17,446

Dear All,

Greetings from Dalmia Bharat Foundation.

We trust this note finds you well. It's with great pleasure that Dalmia Bharat Foundation (DBF) Team reflects on the incredible journey undertaken in the first Quarter of FY 25 and we are thrilled to share our collective achievements through the pages of our Quarterly CSR Magazine.

-Team DBF, Jawaharpur

Livelihood Initiatives

New Micro enterprises

- **Two microenterprises** (a Kirana Shop and a Cosmetic Shop) were inaugurated in Arthana village.
- This intervention provides support of **Rs. 10,000** to start new individual enterprises, strengthening sustainable livelihoods for the beneficiaries.
- Each beneficiary is expected to earn an annual income of **Rs. 1,20,000**.

Dairy Development through shorted and Conventional AI

- Through BIAF, animals were supported with artificial insemination (AI) to boost dairy production.
- In this quarter, a total of 131 conventional AI procedures were conducted, with 48 animals successfully inseminated using shorted AI methods.
- **53 beneficiaries** were benefited by the BIAF Artificial Insemination Program.

Integrated Renewable Energy & Sustainable Agriculture Based Biogas Plants

- This project promotes sustainable living, enhances quality of life, and supports environmental conservation for the beneficiaries.
- **3 households** received IRESA-based biogas plants under the Gram Parivartan project.
- They are now able to save **Rs. 1000 to Rs.1200** per month & gain organic compost worth **Rs.1,200 to Rs.1,500** per month.

GRAM PARIVARTAN PROJECT

(An action towards bringing change)

Introduction

The Gram Parivartan Program was launched with the aim of providing livelihoods that are economically sustainable, ecologically responsible, and socially equitable. The objective is to foster sustainable economic progress within selected communities, where household chosen for participation is expected to achieve an additional annual income of **Rs. 1,00,000**. This can be achieved through individual or group interventions and can function independently or converged with government programs.

DALMIA INSTITUTE OF KNOWLEDGE AND SKILL HARNESSING

Nurturing Futures: Empowering Youth Through Skill Development

Skill development of rural youth plays a vital role in unlocking their potential and creating avenues for a brighter future. By providing tailored training programs and workshops, we equip them with the tools to excel in various trades and professions. This not only enhances their employability but also empowers them to contribute effectively to their communities' growth and development.
