- **709 students** were trained on digital literacy, Financial literacy and basic computer.

World Environment Day Celebration

- A tree plantation drive was organized on the occasion of World Environment Day witnessing **60 participants**.

GRAM PARIVARTAN PROJECT

(An action towards bringing change)

Introduction

The Gram Parivartan Program was launched with the aim of providing livelihoods that are economically sustainable, ecologically responsible, and socially equitable. The objective is to foster sustainable economic progress within selected communities, where household chosen for participation is expected to achieve an additional annual income of **Rs. 1,00,000**. This can be achieved through individual or group interventions and can function independently or converged with government programs.
