MY PAD MY RIGHT PROJECT

My Pad My Right Project

- A meeting was held with the District SHG Federation in Kadapa district to promote the "My Pad My Right" project.
- Linkages were established with 'Mahila Marts' to facilitate the marketing of sanitary pads produced under the "My Pad My Right" project. These marts are promoted and managed by self-help groups (SHGs) in Kadapa district.

GRAM PARIVARTAN

An action towards bringing change

INTRODUCTION

11
Villages

1911
Households

7624
Population

The Gram Parivartan Program was launched with the aim of providing livelihoods that are economically sustainable, ecologically responsible, and socially equitable. The objective is to foster sustainable economic progress within selected communities, where household chosen for participation is expected to achieve an additional annual income of Rs. 1,00,000. This can be achieved through individual or group interventions and can function independently or converged with government programs.

DALMIA INSTITUTE OF KNOWLEDGE AND SKILL HARNESSING

Nurturing Futures: Empowering Youth Through Skill Development

Skill development of rural youth plays a vital role in unlocking their potential and creating avenues for a brighter future. By providing tailored training programs and workshops, we equip them with the tools to excel in various trades and professions. This not only enhances their employability but also empowers them to contribute effectively to their communities' growth and development.
