POPULATION

27290

### GREETINGS TO ALL!

We trust this note finds you well. It's with great pleasure that Dalmia Bharat Foundation (DBF) Team reflects on the journey undertaken in the second quarter, and we are happy to share our collective achievements through the pages of our Quarterly CSR Magazine.

-Team DBF, Ramgarh

### WATER CONSERVATION INITIATIVES

- 17 Village ponds were identified under river revival project of state, for Deepening and plantation
- Ponds used for irrigating 20 acres of land benefiting Sugarcane, Paddy, Wheat and Vegetables producing farmers.
- 11.32 lakh kilo liters of rain water harvesting potential created.

Village pond desilted at Ramgarh

### AGRICULTURE AND LIVESTOCK

- 7 farmers involved in Protective farming.
- This is a collective activity and the profit is shared by 7 farmers
- Total profit per Quarter Rs.72000
- DBF contribution Rs.1.40L (Rs.20,000 per farm)

**Vermicompost Pit in Ramgarh**

- ➔ Promoted 1000 vermicompost units till Sep.2023
- ➔ Each vermicompost unit generates 1 ton of compost; caters to 1 acre of land; saves Rs. 22,000 on input cost.
- ➔ 2500 small and marginal farmers benefited
- ➔ Organic content of soil improved in 11 villages
- ➔ Noteworthy reduction in input cost.

**Azolla** is an ideal feed for poultry, sheep, goats, and pigs. And it has a high nutrient value. It is organic, and can be cultivated throughout the year.

- ➔ 250 Azolla units planned.
- ➔ Each unit produces 200 kg of feed annually.
- ➔ Increases milk yield.
- ➔ Helps to gain weight in poultry and goats
- ➔ Consistent consumption give assured income Rs. 18,500 per annum

### Innovation and Success. A case study

Manju Devi, 33-year-old woman, lives in Mahsui, Ramgarh, has invested Rs. 18,000 from her own savings to acquire Moonj grass, the primary material for crafting moonj. DBF also provided financial support of Rs. 4,700 to cover other expenses.

With this investment, Manju is able to make considerable varieties of Moonj Craft items to make Rs.50K annually. Manju is working on increasing varieties to optimize her income. It is also appreciated that she is now motivating and training other women also make moonj products.

# GRAM PARIVARTAN

(An action towards bringing change)

## Introduction

The Gram Parivartan Program was launched with the aim of providing livelihoods that are economically sustainable, ecologically responsible, and socially equitable. The objective is to support households located within the vicinity of our plant with an additional annual income of Rs. 1,00,000. This can be achieved through individual or group interventions with or without convergence with government programs

## Cumulative Progress since Inception

Households  
Mapped 1000

Interventions  
started 1468

Households with  
additional income  
138

Aggregate earnings  
Rs.57.72 Lakh p/a

# SKILLING RURAL WOMEN & FARMERS

Women mobilization meeting for Rug Weaving

Women were mobilized to understand opportunities available in rug weaving activities which can potentially lead to consistent income generation for 60 households. Those families involved in rug weaving can potentially earn around Rs.3000 every month. This is a group activity where women work collectively on a buy back arrangement.

## SOCIAL INFRASTRUCTURE

- Smart Television distribution at Vikas Bhavan, Sitapur.
- 33 schools received smart television sets
- 3200 students will benefit
- This activity was done in collaboration with Seeko Seekao Foundation who provided the gadgets to schools

- Inclusion of rural women in to digital education using World on Wheels facility at Ramgarh
- 21 women participated in this initiative. Got trained for a period of 1 month sparing two hours a day
